🗪 Two-Way Texting

Experience Seamless Communication with Our New Two-Way Texting Feature!

Permissions and Preferences

- Go to Admin > Employee/Roles > User Roles and select a user role. Under RevConnect, select the check box next to Two-Way Texting to access permission.
- To receive notifications while logged in, go to Admin > Employee/Roles > Employees > select an employee > Preferences tab > under the General section.

Communication Opt-Out

If the patient sends the text 'Stop,' the opt-out checkbox will be selected and disabled, as shown in figure 1. The patient must send the text 'Start' to receive incoming messages again.
