

Invoice Dashboard

What's New

- ▶ **Bulk actions** on selected items.
- ▶ **Select all** option selects items **across all pages**.

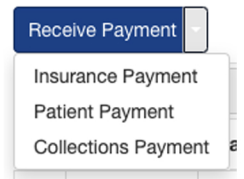

Bulk actions drop-down

- ▶ The drop-down will only display **actions that apply to selected invoices**.
- ▶ **Color coding of invoice age** has been **simplified**:
 - 0-30 = Black
 - 31-60 = Blue
 - 61-90 = Orange
 - 91 > = Red

Improvements

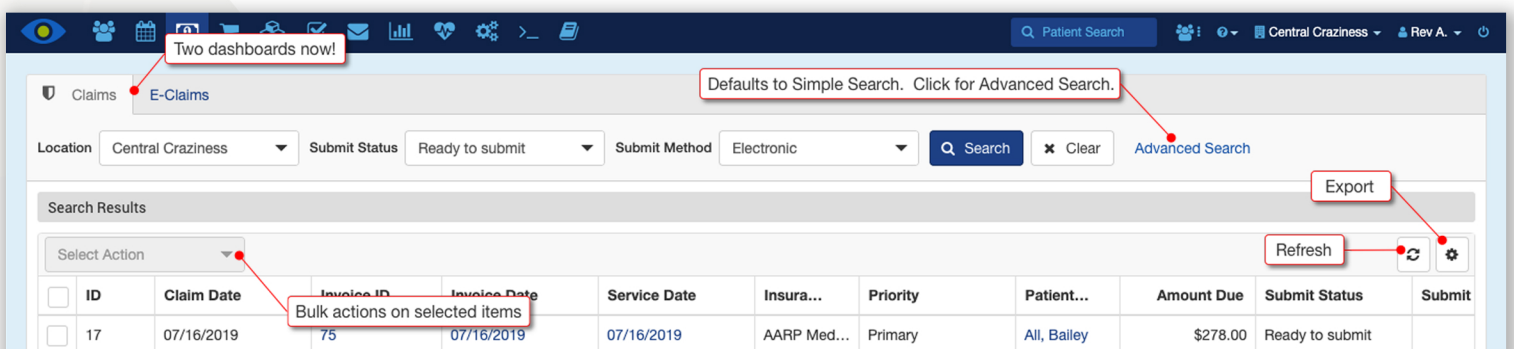

- ▶ Now easily receive a payment by selecting the 'Receive Payment' button on the Invoices and Payments dashboards. Use the drop-down to choose what type of payment you want to receive (no more right clicking).

- ▶ Inline action button to print invoice.
- ▶ Single-click to open an invoice or a payment.
- ▶ **Approval column improvement.** **Authorized** replaces the checkmark and **Pending** replaces just a blank cell.

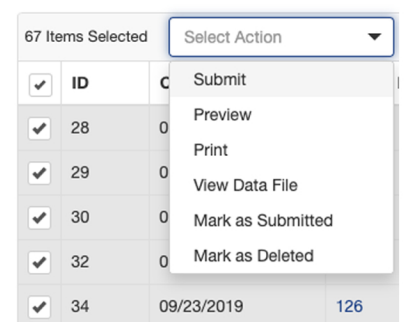

<input type="checkbox"/>	Approval
<input type="checkbox"/>	Authorized
<input type="checkbox"/>	Pending

Claims and E-Claims Dashboard

What's New

- ▶ **Now only 2 dashboards!**
 - **Claims** has replaced Claims to Submit and Search Claims.
 - **E-Claims** has replaced Rejected E-Claims and Search E-Claims.
- ▶ Both **Claims** and **E-Claims** default to **Simple Search** (same as the old **Claims to Submit** and **Rejected E-Claims**).
- ▶ **Advanced Search** provides additional filtering options.
